"Celebrating over 20 years of accreditation by ASME to certify elevator inspectors."

2010 SPRING WORKSHOP SPONSORSHIP

February 1, 2010

Dear Fellow Elevator Industry Professional:

NAESA International (formerly The National Association of Elevator Safety Authorities) is an internationally operating, nonprofit organization with over 2,200 members and 2,400 QEI credentialed Inspectors. Our membership is comprised of elevator inspectors, consultants, contractors, architects, engineers, elevator manufacturers, and others interested in elevator safety, code enforcement, and technology.

Our purpose is to foster and assist in the promulgation of a standard safety code and interpretation thereof, for elevators and related equipment, and to engage in activities and establish programs to exchange and impart information of common interest to the membership and to develop the professional reputation of elevator safety authorities.

NAESA International's Western Region conducts workshops (educational seminars) twice a year to exchange current information on elevator codes, new technology, and related topics of common interest. These highly acclaimed workshops are open to all, and bring people together from all over the world to exchange ideas and learn. These workshops feature several guest speakers and open forum segments led by trained instructors and highly qualified moderators. This opportunity to mingle with others who have similar interests and experiences is priceless.

We will hold our next workshop **March 26-27, 2010**, at the **Best Western Evergreen Inn & Suites, Federal Way, WA** as described in the enclosed materials.

To offset the costs of our workshops, we customarily request select members of the local elevator industry to sponsor breakfasts, breaks, or other functions for a projected attendance of 70-75 persons. We are contacting you at this time to ask your kind consideration of this matter.

Fellow Elevator Industry Professional

February 1, 2010

Page 2

A donation of your company's promotional items (i.e., T-shirts, baseball caps, flashlights, key chains, coffee mugs, golf balls, etc.) would also be greatly appreciated. These items will be raffled off during the workshop, with 50% of proceeds going to support the Elevator Escalator Safety Foundation's important programs, *Safe-T Rider*® and *A Safe Ride*®.

Please take a few moments to complete the enclosed Sponsorship Pledge and Registration forms, and return them to the address shown. **Free workshop registration** will be offered with all contributions of \$150.00 or more as described on the Sponsorship Pledge form. For additional workshop information, please contact Bill Watson at 206-684-8453 or email bill.watson@seattle.gov.

To learn more about NAESA International, the many benefits of membership, additional educational opportunities and our ASME accredited Elevator Safety Inspector/Inspector Supervisor certification program, please contact the NAESA Executive Office at 360-292-4968, or visit our web site at www.naesai.org.

Thank you in advance for your generous support in helping to improve elevator and escalator safety through the exchange of current information on codes, technology, and related topics, which is "In the Public Interest."

Hope to see you at the Western Region Workshop in Federal Way, WA!
