Webinar: ASME A17.6 – Standard for Elevator Suspension

Friday, September 22<sup>nd</sup>, 2017

**INFORMATION** Start time: 8:00am Pacific, 10:00am Central, 11:00pm Eastern.  
The webinar is 5 hours long, plus breaks. Please expect to be connected for 5 ½ hours.

A valid email address is required. Space is limited. Logging in half an hour early is recommended. Attendees will be required to call in on a landline or use a headset and speakers. It is not recommended to use a speakerphone or cell phone as this creates feedback. **ONLY ONE PERSON PER COMPUTER MAY PARTICIPATE.** Throughout the presentation attendees will be quizzed. Failure to answer the questions will negatively affect the overall participation time of each attendee. Participation will also decline if attendees open any other windows on their computer during the presentation. A report is generated at the end of the webinar and attendees will only receive credit for the participation indicated on the report.

<b>SYSTEM REQUIREMENTS</b>	It is the responsibility of the attendee to ensure internet connectivity and to verify that all players on the computer are up to date and compatible with running the presentation. Failure to have the proper player installed at the start of the presentation, or failure to have and maintain an internet connection throughout the presentation will result in lost time in attendance as you will not be able to fully access the course material. As an attendee, you are required to view the presentation AND listen through audio. These two requirements are not exclusive of each other. NAESA will not grant CEUs to those who do not meet these requirements. Attendees will be assigned CEUs based on the report that is generated after the session. Prior to registering, please verify that one of the required players are installed on your computer by going to: <a href="https://naesa.webex.com/naesa/systemdiagnosis.php">https://naesa.webex.com/naesa/systemdiagnosis.php</a>
